Get inspired, make the ordinary, sound extraordinary

Amplify your audio everywhere you go with the amazing Party loudspeaker System from Klip Xtreme. With 6000W of power, this two-way system packs a 12-inch subwoofer along with four drivers into a portable design, making this an easy to carry and versatile music machine. It pairs easily to stream music wirelessly with any Bluetooth®-enabled device, from up to 33 feet away from the audio source. The cabinet enclosure is rough and rugged, while the speakers are protected by a metal grill, keeping your sound secure whether on the move or in the stage. Ideal for bands, live performances and DJs, the loudspeaker features 1/4 inch input jacks for microphones and guitars, a digital LED display, and wireless microphones, so you will always be ready to rock your audience, the stage or your next big event!
